THE HEART HOSPITAL Baylor Plano is recognized as the No. 1 Cardiovascular Specialty Hospital* in the country based on cardiac surgery volume. As the first and only freestanding, full-service hospital in this region dedicated solely to heart and vascular health care, we provide safe, quality, compassionate care and five-star service.

- Highest national ranking — three stars — from The Society of Thoracic Surgeons
- One of the top 10 largest cardiothoracic surgery programs in the country*
- Highest volume heart surgery center in Dallas/Ft. Worth*
- First hospital in Dallas/Ft. Worth to use robotic surgery technology for cardiac and thoracic surgery
- ANCC Magnet® Recognition for Nursing Excellence
- The Joint Commission’s Gold Seal of Approval™ for Advanced Heart Failure
- Seven-time Press Ganey® Summit Award® recipient — patient satisfaction
- Comprehensive on-site Cardiovascular Research Institute

Additionally, THE HEART HOSPITAL Baylor Plano’s Center for Advanced Cardiovascular Care™ is a 10,000+ square foot facility offering advanced solutions for patients with complex cardiovascular conditions. A physician referral is required. Visit TheHeartHospital.com/cvcare to learn more.
